

COMMERCIAL CATERING EQUIPMENT SUPPLIER

SINCE 1982

EQUIPMENT | DESIGN | CONSULTANCY | CUSTOM MANUFACTURE

Established in 1982 by the present owner this business has developed a long standing reputation as a reliable supplier to a significant network of clients delivering high quality commercial catering equipment to the Australian hospitality and food industries.

Currently managed and run by the owner with assistance from a casual temp who works one day a week to carry out all paperwork duties, there are significant opportunities to grow the business in response to a demand from the hospitality industry for reputable long standing suppliers.
